

## **WHAT IS INCLUDED IN A PROFESSIONAL CLEAN AT REMORA CLEANING?**

### **Kitchen**

- Cleaning all worktops/surfaces to ensure there is no debris or stains.
- Cleaning the inside and outside of oven, hobs, extractor fan and extractor filter.
- Cleaning the washing machine including soap tray and clearing debris from the rubber seal.
- Cleaning the dishwasher and dishwasher filter.
- De-scaling and polishing any taps/metalwork.
- Cleaning of wall tiles including cleaning grouting where possible.
- Cleaning and defrosting of fridge/freezer.
- Bins to be cleaned inside and out.

### **Floors**

- Sweeping/hovering/mopping of all hard floors – including the cleaning of grouting where possible.
- Hoovering and wet/extraction cleaning of all carpets.

### **Bathrooms**

- Any taps/metalwork will be fully descaled and polished.
- Glass shower screens de-scaled, cleaned and polished.
- Wall tiles cleaned, including grouting where no damage will occur from cleaning it.
- Shower head, shower hose and other bathroom items to be descaled and cleaned.
- Mirrors to be cleaned, polished and left smear-free.
- Extractor fan to be cleaned where accessible.

### **General**

- All woodwork (including skirting, units, chest of drawers, dado rails, curtains rails etc) to be dusted, cleaned and polished.
- All upholstery (mattresses, curtains, sofas etc) will be thoroughly vacuumed.
- All windows will be properly cleaned with professional equipment on the inside of the property and the exterior where safely accessible to our staff.

## **WHAT ELSE DO WE OFFER?**

Sometimes a client needs more than the standard end-of-tenancy clean, we will always be happy to tailor a quote to meet your exact needs to ensure yourself, your estate agent and landlord are happy with the state of the property once we have completed the clean. This includes, but isn't limited to:

- Steam cleaning of upholstery.
- Laundering linen off site and returning it at a later date – this includes washing, drying and pressing of all linen.
- Cleaning of kitchenware (pots/pans/cutlery etc.)
- Cleaning of painted walls (Most walls are coated with emulsion paint which is water soluble – if you require your painted walls to be wiped down we would require written confirmation from the landlord or agent that we are allowed to do this.)
- Deep cleaning/jet washing of outside areas/balconies.
